Kugan  
Panchadsaran,  
Instructor

**Kugan  
Panchadsaram**  
*PE, PMP*

Kugan is the founder and principal of a technical training center catering to the general construction industry, located in San Diego, CA. Using a dynamic and interactive teaching method, he offers training covering project management, construction management, construction safety and scheduling at his facility. Kugan also teaches at UCSD, UCI and AGC. To round out his services and fully leverage his more than 28 years experience, he is a consultant to the general construction industry in the areas of project control and scheduling. His firm is a Project Management Institute (PMI) Registered Education Provider and one of the leading trainers for Primavera scheduling programs, such as P3, SureTrak, P3EC/P6 and Primavera Contractor. Kugan is a certified Project Management Professional (PMP) and a registered Professional Engineer (PE) in the state of California.

### ONE - DAY - 10 HOUR WORKSHOP

This class is designed specifically for contractors doing business with the US Navy, NAVFAC and US Army Corps of Engineers.

Attendees will learn about the unique procedures established in Navy and US Army Corps of Engineers contracts, and the safety and health requirements of EM385-1-1 – the US Army Corps of Engineers Safety & Health Requirements manual. Knowledge of the DOD's safety requirements, which are utilized on all military installations, is a must have for any contractor!

#### Some of the topics that will be covered include:

- ✓ Preparation of Site-Specific Accident Prevention Plan [APP]
- ✓ Introduction to OSHA (OSHA Act/ General Duty Clause, Competent Person & Record Keeping)
- ✓ Site Safety Health Officer's Qualifications and Responsibilities
- ✓ Hazard Communication
- ✓ Personal Protective Equipment
- ✓ Fire Prevention
- ✓ Material Handling, Storage, & Disposal
- ✓ Plus Much More

**REGISTER ON-LINE [WWW.AGCSD.ORG](http://WWW.AGCSD.ORG)**
