

*Associated General Contractors (AGC) in
Cooperation with Arise Waco Presents:*

Competent Person (Scaffolding) & Hazard Awareness Training

On June 8, 2007, Arise Waco will hold the Scaffold Industry Training Program Competent Person Training review and exam. This course covers frame scaffold assemblies; freestanding, tied to a structure and rolling. This class is designed for those who build scaffolds and leads to certification. This class also includes training on Hazard Awareness, which covers safety and regulations of scaffolding and job sites.

Date: Friday, Sept 7, 2007

Time: 6:45 A.M. to 4:00 P.M.

Place: Associated General Contractors, 6212 Ferris Square, San Diego, CA 92121

Now you can choose to take the entire Competent Person class or just take the Hazard Awareness portion of the class:

- For the **Competent Person** class, you must register before August 27, 2007, in order to allow yourself plenty of time to study. It is absolutely necessary that you read the textbook and complete the self-tests before the class starts. Please also bring in the textbook on the day of the exam for review. Also, you must bring the following tools: hammer, work boots, work clothes, hardhat, torpedo level, eye protection, gloves, 10' crescent wrench, and end cutting (fence) wire cutters.
- The **Hazard Awareness** portion is taught in the first segment of the Competent Person class, and is approximately 3 hours long. The fee for the Hazard Awareness Training is \$35.00 per person, and you may register for the class up until August 27, 2007.

Lunch is provided and all participants will receive a certificate and I.D. for our "Scaffold Hazard Awareness" Training. Participants who score 70% or higher on the Competent Person written exam and display competency building frame scaffolding will receive the certificate and I.D. card from the Scaffold Industry Training Program, certifying competency in the erection of frame scaffolds.
