CONSTRUCTION QUALITY MANAGEMENT FOR CONTRACTORS (CQM-C)

This course is recognized by agencies such as AFCEE, US Coast Guard, VA, and Parks & Recreation Department. This course meets one of the NAVFAC and USACE requirements for Quality Control Manager appointment.

Course Description:

This two-day course provides Contractor Quality Control personnel as well as Government Quality Assurance personnel with the policies and procedures used in post-award construction. This class is taught by a qualified NAVFAC/USACE appointed instructor(s), and is supplemented with DVD presentations, workbook exercises, and encourages participation through class discussions.

The course offers prospective QC Managers / Administrators the opportunity to satisfy the CQM-C training requirements specified in most USACE and NAVFAC construction contracts. This course must be taken, and the final test must be passed, by any person aspiring to be the QC Manager / Administrator or alternate. The course must be taken within 45 calendar days of the award of a construction contract. The Contractors Quality Control (CQC) requirements and the Governments Quality Assurance (QA) roles are reviewed. A course certificate will be awarded to those who satisfactory complete the training and pass the final exam. **The certificate is valid for a five-year period from the date of the class.**
