ABOUT Computers 2 Kids

C2K wants all children and their families, regardless of their economic status, to be computer literate and have equal access to technology and the crucial educational, occupational, and financial resources that technology can provide. C2K accomplishes this through its Technology Assistance Program that recycles and refurbishes used computers and delivers them to low-income families throughout San Diego County.

DATA SECURITY:

All items storing personal data will be sanitized in compliance with the Department of Defense Sanitization Standards as outlined in the National Industrial Security Program Operating Manual DoD 5220.22-M. There is no charge to the donor and C2K provides tax receipts upon request.
