Carl Moyer--Voucher Incentive Program (VIP) Is Now Open

Mike McManus, Director of Engineering Construction & Industry Relations

The San Diego County Air Pollution Control District (District) is currently accepting applications from participating dealerships for grant funding available through the Voucher Incentive Program (VIP). With the goal of reducing air pollutant emissions, VIP provides a streamlined approach to obtain grants to replace qualified on-road diesel trucks with a Gross Vehicle Weight Rating (GVWR) greater than 14,000 pounds. Vouchers of up to $60,000 are available to replace qualifying trucks with newer, lower-emission vehicles. VIP projects must be completed by no later than December 31, 2019.

Dealerships must submit applications online through the County’s online Citizen Access system.

Guidelines for VIP are available here.

The VIP Program is restricted to fleets comprised of 10, or fewer, diesel-fueled trucks, with an emphasis on fleets of three or fewer, and is open to trucks with a GVWR greater than 14,000 pounds.

Applications will be reviewed and approved on a first-come, first-served basis (based on the date of receipt by the APCD District) until funds are exhausted, or until the solicitation period is closed on November 1, 2019.
For more information:

- Contact one of the participating dealerships
- Visit the District's website
- Email cleanairgrants@sdcounty.ca.gov
- Call (858) 586-2600 and ask to speak to Mobile Incentives staff.

The Carl Moyer Memorial Air Quality Standards Attainment Program (Carl Moyer Program) provides grant funding for cleaner-than-required engines and equipment.

Local air districts administer these grants and select which projects to fund. ARB works collaboratively with the districts and other stakeholders to set guidelines and ensure the program reduces pollution and provides cleaner air for Californians.

The Carl Moyer Program achieves reductions in emissions of key pollutants which are necessary for California to meet its clean air commitments under regulatory requirements. Eligible projects include cleaner on-road trucks, school and transit buses, off-road equipment, marine vessels, locomotives, agricultural equipment, light duty vehicle scrap, and lawn mowers.

Who can apply to the Carl Moyer Program? Owners of the following eligible engines:

- Off-Road Construction (All fleet sizes - As reported in the Diesel Off-road On-line Reporting System (DOORS); some restrictions for large fleets)
- Off-Road Agricultural
- Marine
- Locomotive
- Proponents of Eligible Infrastructure Projects

The Carl Moyer Program for equipment replacement is scheduled to open in July.
Congratulations to the Class of 2019!

Students from the J.R. Filanc Construction Engineering and Management Program at SDSU celebrated their graduation on Saturday, May 18. Special appreciation and thanks to AGC San Diego for its support of the CEM program, students, and the ASC Reno teams. Congratulations to the class of 2019!

EVENTS

AGC BASEBALL BASH
June 18, 2019
RECO Park
Roofop of Western Hotel Building

SOLD OUT
Registration is now open for the Seventh Annual AGC Summer Mixer & Car Show on July 30!

Enjoy delicious food truck fare, beer and margaritas, while checking out the classic cars and hot-rods on display. This event is hosted by AGC San Diego's Construction Leadership Council (CLC) and is free to members!

The event starts at 4:30 p.m. and goes to 7:00 p.m. at the AGC San Diego Training Facility.

Do you have a classic car or truck you want to show off?

Register to display your vehicle at the event and be in the running for one of three awards: Best in Show, Best Mod-Rod, or Best Classic.

Thank you to our current event sponsors!

RED SHOE DAY - June 20
Register by TODAY - June 10th

CALL FOR VOLUNTEERS:

Volunteers are needed for the Ronald McDonald House (RMH) Charities' Red Shoe Day on Thursday, June 20. Ronald McDonald House supports housing for families when their child is being treated for a medical emergency and unable to leave the hospital. RMH is asking AGC members to volunteer to help with this event.

JOIN AGC's TEAM - MIRA MESA
LOCATION
Intersection Carroll Canyon Road and Pacific Heights

CLICK HERE for a direct link to the AGC Team page.

Volunteers who sign up through this page will automatically be registered for the intersection in Mira Mesa.

We have 3 shifts available:

- 6:30 a.m. - 8:00 a.m.
- 8:00 a.m. - 9:30 a.m.
- full shift - 6:30 a.m. to 9:30 a.m.

If Mira Mesa is not convenient, there are various intersections reserved around San Diego for individuals to volunteer nearer to their home or office. To register for one of these intersections, CLICK HERE and select the "Sign Up For An Intersection" button. There are a list of possible intersections to select the one that works best.
phone/fax, job titles, CSI codes, & certified business listings).

About Monday Morning Quarterback

AGC San Diego Chapter's Monday Morning Quarterback is a "hot off the press" and to the point Monday morning briefing on the important issues facing San Diego's construction industry. It is prepared by AGC Chief Executive Officer, Eddie Sprecco, and Executive Vice President, Brad Barnum.

Please contact Eddie Sprecco or Brad Barnum with your comments, or with information that should be conveyed to the industry through this service. Well over 3,000 individuals employed by AGC member firms are part of this system.
