Save the Date - Construction Industry Fundraiser for Carl DeMaio - August 30

AGC, along with ABC, the Western Electrical Contractors Association, and the Coalition for Fair Employment in Construction were among the first organizations to support Carl DeMaio for Mayor of San Diego. Carl received the most votes in the June 5th Primary Election, and our early support had a lot to do with his success!

The construction industry has been with Carl since "Day One", and it's time for our members to step up again for the November campaign against Bob Filner! It is expected to be a close, hard-fought campaign, and every bit support will make the difference...

With that said, AGC will be hosting an industry-wide

AGC San Diego Chapter one of the Sponsors for the 10th Annual MCRD Bootcamp Challenge on Sept. 29th
By Marcy Knopman, Staff Liaison for Build & Serve Committee

Immediately following last week’s article in MMQB entitled “Giving Back to the Military” (click here to read article), we have been receiving a lot of interest regarding the MCRD's Bootcamp Challenge. Members are calling in with questions, sponsorship inquiries, slogan ideas, etc., so I wanted to detail all the particulars for you.

AGC is honored to be one of the Presenting Sponsors for the 2012 MCRD's Bootcamp Challenge since the San Diego's construction industry is a strong supporter of the military presence in our City.

On Saturday, September 29th, AGC members, plus any of their friends and family (must be at least 15 years old), will participate in the 10th Annual Marine Corps Recruiting Depot (MCRD) Bootcamp Challenge. This event is a "joint venture" of AGC's Build and Serve Committee and the AGC's Safety Committee. So what is the Bootcamp Challenge??? It is a three mile run/walk through the famous MCRD obstacle course that is used to test the mettle of young men and women recruits which the Marine Corps opens up to the public once a year. Participants will be "assisted" by 60 MCRD Drill Instructors (DIs) that will "guide" participants through MCRD's obstacle course, which includes over 40 obstacles including hay jumps, tunnel crawls, log hurdles, a 6 foot wall, trenches, cargo net crawls, and push up stations. USMC DI's will be stationed throughout the course to provide "encouragement" (that is Jim's euphemism for "screaming in your face.")

FAQ’s
We will all be part of the group "TEAM AGC," however, we will be competing in the "INDIVIDUAL" category (we will all be wearing the same AGC t-shirt to show our solidarity as an industry). AGC staff and volunteers will distribute the race bibs and t-shirts at our registration table starting at 7:00 A.M. Registrations need to be submitted to AGC no later than AUGUST 29th (Please submit both forms; MCRD's official registration form with signed waiver, and the AGC form).

2. What time does event begin? TEAM AGC will gather between 7:30-8:00 A.M. in a special VIP tented area on the MCRD's Commanding General's lawn for breakfast, to schmooze, meet others on our team, and get into the team spirit. Beginning at 9:00 a.m., our AGC group will join hundreds of other participants in competing in this race. Race bibs distributed starting at 7:00 A.M.

3. What if I am competitive and our company wants to participate as a team? Yes, if you would like to compete as a 3-person team or a 5-person team...you still register through AGC, and we will provide your team name and each of your participant's names to MCRD. You will still be part of our AGC group, however, you will be in the "3 or 5 PERSON TEAM" category in the race. Just let Marcy know you want to compete as an official team, and she will sign you up!

4. Do you have to be an AGC member to participate? NO! We encourage you to bring anyone to join our team; family, friends, husbands, wives, significant others, kids ages15 and over. The more the merrier! "Strength in numbers!" Our goal is to "recruit" 50 participants on TEAM AGC!

5. What if I don't want to race, can I still be part of this great event? Great question! There are a number of
other ways you can participate:

**Become a Sponsor:** Sponsorship Opportunities Available:
- T-shirt Sponsor
- Beverage Sponsor
- Award Certificate Sponsor
- Virtual Sponsor - donate any amount towards our "gift" to MCRD
- Sponsor a participant to race

**Enter the Slogan Contest:**
Be creative and come up with a catchy slogan/tag line for our team. Remember, it has to incorporate the construction industry and/or AGC with the Marines.

Here are some slogans that have already been submitted.

1. Put your best BOOT forward
2. Combat or Work Boots...AGC is always ready for a Challenge
3. Combat Boots or Work Boots - Bring it on...AGC can handle it
4. The MANY. The PROUD. The AGC!

Just think, you will be recognized as submitting the winning slogan, and your slogan will be imprinted on all our AGC team t-shirts/promotional marketing.

**What’s your line?** Submit your slogan(s) to Marcy Knopman by August 29th for a chance to win a $25 gift certificate.

Well, I hope I answered all your questions and that I've "recruited" you and your company...are you pumped up to be a part of our team and participate in this challenge? Start training now....build your running stamina up to 3 miles, work on your upper body strength by doing a minimum of 10 push-ups, and you may want to climb some stairs (in preparation for haystacks and the 6 ft wall)! Be prepared to get dirty (the cargo net crawl is not pretty!)

About Monday Morning Quarterback

AGC San Diego Chapter's Monday Morning Quarterback is a "hot off the press" and to the point Monday morning briefing on the important issues facing San Diego's construction industry. It is prepared by AGC Executive Vice President, Jim Ryan, and Vice President Government Relations, Brad Barnum.

Please contact Jim Ryan or Brad Barnum with your comments, or with information that should be conveyed to the industry through this service. Well over 2,000 individuals employed by AGC member firms are part of this system.

It was HOT at this years' AGC's Joint Health and Safety Council Conference

The heat in Riverside wasn't the only thing breaking records on July 11th. This year, as over 90 Safety Professionals from both San Diego Chapter and AGC Cal attended the Annual Associated General Contractors Health & Safety Council Conference. Hosting this years' conference was AGC member, and the 3rd largest civil engineering company in the world, Skanska USA Civil West.

Lisa Prince, Walter & Prince LLP returned as guest speaker of the Global Overview to the Cal/OSHA Appeals Board. The Appeals Board has three parts; Labor Member, Art Carter; Public Member, Ed Lowry; Management Member, Vacant. She highlighted the points that a contractor may stumble over; Traps for the Unwary, Calendar Days vs. Working Days, Division vs. the Appeals Board, and Appeal vs. Informal Conference. Lisa also set the stage for the process, and provided definitions on presentation of evidence, the burden of proof, testimony and exhibits, direct and cross examination, hearsay, and foundation.

Members and guests heard presentations on "Working at The Speed of Night, Leadership & Safety." Everyone had their awareness heightened by partaking in the live equipment blind spot demonstration.

Guest had live industry equipment and vendor demonstrations provided by Hawthorn CAT, Honeywell Safety Products, Enterprise Fleet, Statewide Safety & Signs, Sitech, Professional Contractor Supply (PCS), R. J. Safety Supply, and ML Kishigo Company High-visibility Workwear.

This annual industry safety conference was FREE to attend because of great member sponsors such as; Skanska USA Civil West, Bergelectric Corp. Statewide Safety & Signs, Enterprise Fleet, On-Site Health & Safety, p.WageXperts, ehs International, Inc., Glenn M. Gelman & Associates, and J. P. Jonas + Associates, Inc.
Guest Speakers; Lisa Prince, Walter & Prince LLP, Vicky Hoyt, Manager, Flatiron West, Clark Peterson, Western Regional ES & H Director, Skanska USA Civil West
