RE: 2023 SAN DIEGO AGC COMMITTEE SIGNUPS

2023 AGC San Diego Chapter President, Austin Cameron, *TC Construction Company, Inc.* welcomes you to get involved in AGC.

The AGC San Diego Chapter is a committee-driven association and relies on each committee to act as the creative arm for the industry. Members in all membership categories and their employees are encouraged to participate on AGC committees.

Participating on an AGC committee allows members the opportunity to give strong direction to the industry and to develop their skills and abilities. The construction industry needs volunteers that will continue to direct the industry in a positive manner. Serving on an AGC committee is an excellent way to achieve this goal.
