Help us

give thanks

to our military families

Thanksgiving Food Drive

in support of STEP of Southern California

October 1 - October 30, 2026

Build & Serve Charitable Alliance

GIVING back

Join *AGC San Diego's Build & Serve Charitable Alliance* in helping STEP (*Support the Enlisted Project)* with its Thanksgiving Dinner Program. Each year, STEP donates a turkey dinner with all the fixings to local military families facing financial hardship. AGC is collecting non-perishable Thanksgiving dinner items to support this effort.

We ask that your office set up a collection box for the items requested below and deliver them to one of our locations by **Friday, October 30**. A simple act of giving can make a world of difference. Let's show our gratitude for their service by providing a memorable feast they can share with loved ones.
