SECTION 1 **PARTIES TO AGREEMENT**

This Agreement entered into this 1st day of July 2024, by and between signatory members of the Associated General Contractors of America, San Diego Chapter, Inc. (AGCSD) and Southern California Contractors Association (SCCA) (hereinafter referred to as the Employers), and Teamsters Local 166, affiliated with the International Brotherhood of Teamsters, (herein after referred to as the Union).

A. Definitions:

1. Association means the AGC San Diego Chapter, Inc. and Southern California Contractors Association, and the Union recognize and agree that the Association is the administrative representative of the Employers, and their Association has no signatory status by the terms of this Agreement or otherwise.
2. Employee(s) or worker(s) means the employed person or persons performing work covered by this Agreement within the recognized work jurisdiction of the Union as defined in this Agreement.
3. Subcontractors means any person, firm or corporation who contracts with the Employer to perform any jobsite construction work, as defined by this Agreement, including the operation of equipment, performance of labor, and the furnishing and installation of materials.

B. It is the desire of the Parties to establish rates of pay, hours of employment, and working conditions which shall be applicable to these workers in the performance of the work, as hereinafter defined in this Agreement.

B. The purpose of this Agreement is to ensure that all construction work performed by the employee shall proceed continuously and without interruption in an efficient and economic manner to secure optimum productivity, and to facilitate the orderly performance of the work by improving efficiency and eliminating work stoppages, slowdowns, poor work practices, and other interferences with the progress of the work.

SECTION 2
TERM-TERMINATION AND RENEWAL

- A. This Agreement shall become effective on July 1, 2024, and shall remain in full force and effect through June 30, 2025.
- B. While this Agreement continues in effect, neither party will make demands upon the other party for any changes in conditions or benefits, or for any new or additional conditions or benefits.

SECTION 3
AREA COVERED

The area covered by this Agreement shall be San Diego County, California, and San Clemente Island, California.

SECTION 4
WORK COVERED:

- A. Work covered by this Agreement shall include all jobsite work performed by the Employer or its subcontractor for the construction, in whole or in part, or the improvement or modification thereof, of any project or other work and operations which are incidental thereto, and the assembly, operation, maintenance, and repair of all equipment, vehicles, and other facilities used in connection with the performance of the aforementioned job site work and services.
- B. So far as it is within the control of the Employer, all materials, supplies and equipment used on the job shall be transported to or from or on the site of the work by workmen furnished by the Union signatory hereto. Nothing herein contained shall be construed to prohibit the normal delivery of freight by common carrier.
- C. This Agreement covers jobsite construction work only. Jobsite is defined as an area within which construction work is being performed, the boundaries for which are the same as those boundaries delineated in the specifications for the job or project which may include such references as right-of-way, parcel, subdivision map, dedicated street, or lot. When trucks are both loaded and unloaded on the Employers project, it shall be considered jobsite work. In the case of subdivisions or planned unit development where construction phases are stipulated by construction contracts, jobsite will mean only that area covered by phases or units currently under construction and under the Employer's control.
- D. With respect to Teamsters, any work which is not exclusively jobsite work shall be covered by this Agreement, and specifically Section 32 working rules, paragraph (Z).

SECTION 5
UNION RECOGNITION

The Employers hereby recognize the Union who is signatory hereto as the sole and exclusive bargaining representatives of all employees of the Employers signatory hereto over whom the Union has the work jurisdiction. It is understood that the Union does not at this time, nor will they during the terms of this Agreement, claim jurisdiction over the following classes of employees:

The Employers, executives, civil engineers and their helpers, superintendents, assistant superintendents, master mechanics, timekeepers, messenger boys, office workers, or any employees of the Employer above the rank of foreman, provided, however, that it shall be in violation of this Agreement if the Employer performs, or uses any of these classes of employees to perform, any of the work ordinarily performed by the workmen classified herein.

SECTION 6
OBLIGATIONS OF EMPLOYER

- A. This Agreement is binding upon the Employer regardless of whether or not it changes the name, or style, or address of its business, if the Employer continues to perform work covered under Section 4 of this Agreement. An Employer shall include any firm, partnership, Company, or Corporation, or other business organization, excluding developer, in which such Employer has a majority ownership interest. The Employer shall give notice in writing to the Union of any intent to change the name, style, or address of its business, or to perform business under more than one name or style, or at more than one address, prior to the adoption of a new or different name, style, or address, or the addition of new names, or styles, or addresses as specified herein.
- B. The Employer shall continue to be bound by the terms of this Agreement under the new name or method of operation, including a partnership or corporation in which it has majority control or interest, until such time as it terminates the Agreement in accordance with the provisions of Section 2 of this Agreement.

SECTION 7
EXISTING AND OTHER AGREEMENTS

- A. All existing labor Agreements between the Employer and the Union for work covered by this Agreement are hereby canceled by mutual consent.
- B. This Agreement shall be deemed to have been executed when the parties signing shall have affixed their signatures hereto. There shall be no retroactive application of:
 - 1. Changes in wages or employee benefits of any kind,
 - 2. Trust fund or other contributions, or
 - 3. Obligations upon employees.
- C. It is the determination of the Union, unilaterally arrived at, that the prevailing wages and fringe benefits established by this Master Labor Agreement can best be maintained by insuring uniform conditions and benefits for all the work it represents in its work and territorial jurisdiction. To this end, the Parties have agreed that in the event the Union shall negotiate different terms and conditions of employment for employees performing jobsite construction industry work in classifications similar to those set forth in this Agreement in the territorial jurisdiction of the Union, the Association will be notified and such terms and

conditions shall be made available to the Employers. No Employer signatory to this Master Labor Agreement shall be required to provide terms or conditions of employment under this Master Labor Agreement any more favorable than such terms and conditions contained in any other Agreement concerning jobsite construction work in San Diego County, with the sole exception being conditions under a Project Agreement negotiated pursuant to Subparagraph 2 below.

1. If the Employer wishes to use a non-signatory contractor in accordance with the terms of Section 25, to perform job site construction work, the Union will make available to the subcontractor a Project-Only Agreement which will adopt the terms and conditions of this Master Labor Agreement, for that project only. The subcontractor shall have the option of providing its own workers to perform work covered by the Project-Only Agreement, or it may request the dispatch of employees from the hiring hall. Any such workers covered by the subcontractors Project-Only Agreement will be subject to the Union Security provisions contained in this Agreement. Said subcontractor shall not begin work prior to the execution to such Project Agreement(s).
2. It is understood and agreed by the Parties hereto that when situations arise that require separate single Project Agreements covering work to be performed on specific identified construction projects in the geographic area covered by this Agreement, to protect the interests of the Employers and promote jobs for Union members, such single Project Agreements will be negotiated in advance and the terms and conditions of these Project Agreements will be made available to all signatories hereto to protect the competitive bidding process on that specific geographic jobsite location. Any rates or conditions negotiated in these special single Project Agreements will not give any Employer signatory hereto the right to claim such rates and conditions for work performed on geographic job site locations, other than that specifically defined in the special Project Agreements.

SECTION 8

UNION SECURITY

- A. Employees employed by the Employer under this Agreement for a period of seven (7) days continuously or cumulatively shall on the eighth (8th) day be obligated to tender the regular initiation fees and pay periodic dues to the Union as a condition of employment.

SECTION 9

UNION REPRESENTATIVES

After presentation of proper identification, the Employer shall afford bona fide Representatives of the Union, prompt and free access to the jobsite during construction for the purpose of conducting legitimate Union business. If the Employer or his Representative is present on the job, the Union Representative shall apprise the Employer or his Representative of his presence. Such Union Representative shall provide their own security credentials, if required. If the security credentials are inadequate in any respect, access shall be denied. A Union Representative must comply with all

safety and health regulations and established practices of the Employer. In no event shall the representatives of the Union interfere with the progress of the work.

SECTION 10
STEWARDS

- A. The Craft Steward shall be a working employee, appointed by the Union, who shall, in addition to his work as a journeyman, be permitted to perform during working hours such of his Union duties as cannot be performed at other times. The Union shall notify the Employer or his Representative, in writing, and send a copy to the Employers last known address of the appointment of each Steward. Craft Steward(s) appointment shall be deemed official upon receipt of written notice by the Employer or his Representative. It is recognized by the Employer that the Steward shall remain on the job as long as there is work being performed in his craft in which he performs capably. The Employer shall not be required to retain the Steward in lieu of any employee whose employment with the employer pre-dates that of the Steward. Where the Steward is discharged for reasons of employment tenure, two (2) full working days' notice in writing will be given to the Union and the Union may appoint a new Steward from the remaining employees. The Steward shall not be transferred from one jobsite to another job site without prior approval from the Union.
- B. A Steward may be discharged, with immediate notice to the Union, for drinking on the job, drunkenness, drug abuse, dishonesty, causing a work stoppage, unauthorized absence, or for telling any workman or employee that he may not work on the job. The Steward may be laid off at completion of the project.
- C. When the Union receives notice the Employer is laying off the Steward, the Union Business Representative will meet with the Employer at the job site within twenty-four (24) hours to investigate the circumstances of the layoff and receive written notice from the Employer confirming the layoff. If the Union Business Representative finds the layoff is contrary to Paragraph "A" or paragraph "B" above, the problem shall be referred to Section 18, The Grievance Procedure.
- D. The Union may appoint more than one (1) Steward on a jobsite when necessary.

SECTION 11
SAFETY

Any employee found to be willfully violating project safety or the Cal-OSHA orders adopted by the Industrial Safety Board of the State of California may be immediately discharged with prompt notice to the Union.
- B. The Employer shall furnish for the use of his employees, any necessary protective clothing or gear as required by Cal-OSHA. Employees may be held monetarily responsible for such items

- C. The Employer shall furnish, when weather conditions require, suitable iced, chilled, or refrigerated water when requested by the majority of the employees on the jobsite. The Employer will furnish sanitary drinking water and toilet facilities at all times in accordance with California law.
- D. The Union shall cooperate with the Employer in carrying out all of the Employers safety measures and practices enumerated above, and employees shall perform their duties in such a manner as to promote efficient operations on all jobs. Employees and the Union shall comply with all applicable safety and health regulations and with the safety practices of the Employer.
- E. The Union shall cooperate to the fullest extent to ensure that employees meet the highest practicable level of safety training, and to comply with the all safety training and certification requirements imposed by federal, state and local regulatory agencies. The Union shall accomplish this obligation by:

SECTION 12 **INJURY**

SECTION 13 **DISCHARGE**

The Union recognizes the employer's right to establish a drug testing policy for their employees. If workers are so employed, the Employer will report in writing, for record-keeping purposes only, each such worker's name, and work classification to the Union or its Agents. The Employer shall be required to start and complete Union provided training to the worker for a minimum of 30 calendar days. Compensation for Union provided training will be sourced from the Industry Advancement Training Fund (IAT).
- D. The Union or its Agents will furnish each such required competent workmen or skilled mechanics entered on their lists to the Employer by use of a written identification, and will furnish such workmen or skilled mechanics from the Local Union listing in the following priority:

- B. In the event the Union is unable to refer applicants for employment to the Employer in sufficient number from each of the minority groups represented within the local area, as may be necessary to enable the Employer to fully comply with minority hiring requirements imposed by his construction contract with any federal, state or governmental body, commission, or agency, or to enable the employer to fully comply with all laws, presidential executive orders, regulations, rules, directives, or orders which cover minority hiring and which are applicable to the employer, then in any such event the employer shall be free to directly recruit from any source in accordance with the provisions contained in Section 14 such number of minority applicants acceptable to the Employer as may be necessary to satisfy the employer needs to effect such compliance.

SECTION 25
SUBCONTRACTORS

- A. The Parties recognize the desire and the need of employees who have been long time members of organized labor to toil alongside employees with similar principles and goals. They further recognize that such employees are persons who have undertaken economic action or have given

moral and financial support to others who have taken such action, and thereby suffered financial deprivations for the common good, for the purpose of raising to the current level the standards of all employees in the construction industry.

Additionally, the Parties recognize that employees who have this common bond wish to be assured that job sites upon which they are employed or will be employed are staffed with employees who have not acted in a manner to undermine the economic battle of wages, hours, and other conditions of employment.

- B. In consideration of the foregoing, the following provisions shall be adhered to respecting subcontractors:

A subcontractor, for the purpose of this Agreement, is defined as any person, firm, corporation, or other entity holding a valid state contractor's license when required by law, to perform work covered by this Agreement and who employs workmen as employees to perform services covered by this Agreement, including the performance of labor and/or furnishing and/or installing material, or the operation of equipment. All employees of subcontractors will perform work at the appropriate hourly rate and will be reported to such Trust Funds as required by the Collective Bargaining Agreement. Failure of a subcontractor to obtain or maintain a valid State Contractor's license required by law shall not excuse compliance by the Employer or Subcontractor with the provisions hereof.

- C. The Employers agree that he or his Subcontractors will employ one (1) or more employees who are represented by the Union, on each job site on which he or his Subcontractors perform work of the type covered by this Agreement, at all times when such Subcontractor is engaged, and that neither the Employer nor any of his Subcontractors on the jobsite will subcontract any work covered by this Agreement, except to a person, firm, or corporation, party to a current Labor Agreement with the Union party to this Agreement.

- D. In the event the Employer's subcontractor does not pay the wages, benefits, or Trust Fund contributions required by this Agreement, the Employer shall become liable for the payment of wages and benefits to the Subcontractors employees and for the payment of Trust Fund contributions to the Trust Funds, without regard to whether any specific employee enjoys the benefit of contributions, whichever is applicable.

- E. The Employer shall provide in his contract with the Subcontractor, the following provision:
"The Subcontractor accepts and agrees to be bound by the provisions of the Master Labor Agreement for San Diego County between the Engineering & General Contractors Association, Southern California Contractors Association, San Diego Chapter Inc., and the Union signatory hereto specifically agrees to be bound by the procedures for settling jurisdictional disputes as set forth in the said Collective Bargaining Agreement. The Subcontractor agrees that it will bind its Subcontractor to said procedures and Collective Bargaining Agreement in the same manner and to the same effect as provided with respect to it."

- F. It is mutually understood and agreed that there shall be no contracting with individual workers for any work to be performed by an individual worker in any classification under the jurisdiction of the Union in contravention of any term or provision of this Agreement.

1. An employer shall not permit subcontracting by Subcontractors without his knowledge and permission in writing, and not without requiring compliance with this Agreement in writing.

2. It is the intent of this Section and of this Agreement to comply with the provisions of the Amended Labor Management Relations Act, and in particular, with the construction industry exemption contained in the first provision to Section 25 (e) thereof. This Section shall be enforced only by such means and in such a manner as is provided or permitted by appropriate state or federal law.
3. In the event that enforcement of Paragraph "A" herein is restrained by an injunction by the United States District Court or otherwise, Employer agrees that he/it will not subcontract any jobsite work, except to a Subcontractor whose labor costs on such job at all times during the term of his subcontract, are not less than those of Employers performing similar work to that covered by this Agreement, including, but not limited to, costs of subsistence, vacation, holiday, medical, hospitalization, wages, premiums, dental, life insurance, and retirement benefits as provided by this Agreement. The Employer shall require each such Subcontractor to weekly supply to Employer, who will then upon request, make available to the Union, a copy of the Subcontractors certified labor costs for such job, and shall require each such Subcontractor to submit to an audit of those labor costs by a Certified Public Accountant upon the request of the Union. Failure to comply with this provision shall entitle the Union to seek judicial review upon written notice to the Employer and the Subcontractor to compel the suspension of such subcontractors work until there has been compliance, together with attorney's fees for the bringing of such action.

- G. The Employers and the Union recognize the difficulty in obtaining competitive bids to subcontract work in the field of curb, sidewalk, landscaping (not including hydro seeding or similar process), slurry sealing, or paint striping.

The Parties agree: When it can be demonstrated by the Employer that signatory Subcontractors are not available or decline to bid their work competitively, and none of the Employer's employees are replaced or displaced from work, the Employer may subcontract such work to any Subcontractor in accordance with State and Federal law.

In the event that the predetermined or prevailing rate for a project changes during the life of the Project, any such change shall immediately be adopted as the wage and fringe benefits required to be paid under this Agreement.

- B. APPENDIX - A3

PRIVATE ATTORNEY GENERALS ACT

The Teamsters Local 166 on the one hand, and the Associated General Contractors, San Diego Chapter, Inc. and the Southern California Contractor Association on the other hand are parties (hereinafter “Parties”) to a Master Labor Agreement (“Agreement”) that will expire on June 30, 2025. The Parties to this Agreement hereby agree to amend it with respect to the following Recitals and Resolutions in this Memorandum of Understanding (“MOU”) for the purpose of availing themselves of the exemption that the Private Attorney Generals Act, in particular Labor Code § 2699.6, extends to collectively- bargained contractors in the construction industry.

RECITALS

WHEREAS, Governor Jerry Brown signed Assembly Bill 1654 (“AB 1654”) on September 19, 2018, which added Section 2699.6 to the Labor Code;

WHEREAS, AB 1654 exempts from the coverage of the Private Attorney Generals Act (Part 13 of Division 2 of the Labor Code (commencing with Section 2698)) (“PAGA”) and “employee in the construction industry,” as that term is defined by Labor Code § 2699.6 (d), with respect to work performed under a valid collective bargaining agreement that meets the requirements of AB 1654, in particular, Labor Code § 2699.6 (a) (“Exemption”).

WHEREAS, the application of that Exemption requires satisfaction of certain conditions set forth in Labor Code § 2699.6(a)(1)-(3), which mandates that a collective bargaining agreement such as this Agreement contain wages, hours of work, and working conditions of employees, premium wage rates for all overtime hours worked, and for the employee to receive a regular hourly pay rate of not less than 30 percent more than the state minimum wage rate and the following provisions:

- (1) Prohibits all of the violations of the Labor Code that would be redressable pursuant to PAGA, and provides for a grievance and binding arbitration procedure to redress those violations.
- (2) Expressly waives the requirements of PAGA in clear and unambiguous terms.
- (3) Authorizes the arbitrator to award any and all remedies otherwise available under the Labor Code, provided that nothing in this section authorizes the award of penalties under this part that would be payable to the Labor and Workforce Development Agency.

WHEREAS, Section 29 of this Agreement contains provisions authorizing the filling of a grievance which can be pursued to final and binding arbitration (“Grievance / Arbitration Machinery”).

WHEREAS, the parties wish to avail themselves of this Exemption by agreeing to the terms of this MOU;

WHEREAS, all Recitals shall be deemed Resolutions and all Resolutions shall be deemed Recitals.

RESOLUTIONS

WHEREFORE, the parties clearly and unambiguously waive the provisions of PAGA, and agree that none of the provisions of PAGA shall apply to any of the employees covered by this Agreement;

WHEREFORE, the parties agree that the Union may file a grievance pursuant to this Agreement's Grievance / Arbitration Machinery and such a grievance can assert violations of the Labor Code that are redressable by PAGA, which include those sections enumerated in Labor Code §§ 2699.5 and 2699(f) and any others to ensure application of the Exemption;

WHEREFORE, an arbitrator presiding over an arbitration conducted pursuant to the Grievance / Arbitration Machinery shall have the authority to make an award of any all remedies otherwise available under the Labor Code except for an award of penalties that would be payable to the Labor and Workforce Development Agency, and that any Labor Code violations asserted by the Union that are redressable by PAGA will be deemed violations of this Agreement if so found by the arbitrator;

WHEREFORE, the parties agree that the terms of this MOU meet all conditions for application of the Exemption in AB 1654.
